

## Greater Atlanta Oral Facial Surgery

**DR. ABTIN SHAHRIARI** is an Ivy League–educated, board-certified oral maxillofacial surgeon known in international circles as an expert surgeon, teacher and author. His surgical expertise involves bone grafting, dental implants, and facial reconstruction. He has completed extensive surgical training at Emory University and the University of Pennsylvania. In addition to working in private practice, he often travels the world as a lecturer on dental implants and oral surgery, and he has been published nationally and internationally.

His partner, Dr. Ajay Ganti, is an Ivy League–educated dual degree, D.D.S., M.D., oral and maxillofacial surgeon practicing full-scope oral and maxillofacial surgery. Dr. Ganti earned his doctorate in dental surgery from Columbia University's College of Dental Medicine. He completed medical school, followed by an oral and maxillofacial residency at Emory University School of Medicine. He completed advanced fellowship training with world renowned surgeons managing patients with cranio-facial deformities, including cleft lip and cleft palate.

Dr. Abtin and Dr. Ganti lead two highly credentialed surgical centers, and they recently opened an office in Buckhead. These are the only oral surgery offices in Georgia certified by the Accreditation of Ambulatory Health Care (AAAHC), demonstrating a superior level of commitment to patient safety. At the forefront of innovation, they utilize the latest 3-D virtual reality surgical planning technology allowing for improved prediction of surgical outcomes and a precise surgical plan.

Exceptional, patient-centered care is at the core of their values. Specialized training and experience in dental implant and oral surgery place exceptional results and world-class treatment within arm's reach.
